## WE ARE HERE TO SUPPORT YOUR ENERGY GOALS

Saving energy can be difficult during the summer and winter seasons. We are firm believers in finding ways to save costs and be sustainable, especially during the seasons that use the most energy.

Our mission is to help homeowners and businesses save energy by facilitating the transition to sustainable solar energy.

# WE ARE ELECTRIFYING SOUTHERN CALIFORNIA

Efficient Electric Co. specializes in the installation of solar systems for your home and business.

Besides saving you energy and money, solar can provide added value to your home.

We work with you every step of the way. From consultation to installation we will provide you with all the solar knowledge you need to make an informed decision.

Whether you are looking to install solar panels or just to have them serviced we are here to help.

## OUR SERVICES

### CONSULTATION

We want to know what kind of energy goals you may have, and work with you to achieve them.

### CUSTOM SOLAR DESIGN

Every home and business is different, and we want to design your solar systems based on your needs.

### INSTALLATION, MAINTENANCE, REPAIRS

We offer maintenance, cleaning, and solar panel repair services.
